*\* Please note: Physical activity on this pilgrimage is moderate. In Glasgow, we have a 4-block walk btw our hotel and our mtg space. On Iona, worship at the Abbey is a short walk from the hotel; other activities on the itinerary require more walking, some on uneven ground, sometimes uphill. On our travel days, we will be taking long bus rides as well as two ferries. You must be able to get on and off our motor coaches and ferries on your own as well as manage/carry your luggage up and down a steep ramp on our final ferry. If you anticipate needing assistance, please travel with someone who is willing and able to help you. Our staff are not able to provide individual assistance. Please also note that there are no doctors or immediate medical services on Iona.*
